To Whom It May Concern,

Re: 128 Long Term Care Home at 308 Bridge Street Napanee, Ontario, for the Lennox & Addington County General Hospital

We are pleased to provide this letter in recognition of the excellent performance delivered by our electrical subcontractor, Brian's Little Electric on the 128 Long Term Care Home project located in Napanee.

Throughout the duration of the project, Brian's Little Electric demonstrated a high level of professionalism, technical competence, and commitment to quality. Their team consistently met project milestones, coordinated effectively with other trades, and maintained compliance with all applicable codes, specifications, and safety standards.

In addition to their strong technical execution, they were proactive in identifying potential issues, offering practical solutions, and responding promptly to site requirements and schedule demands. Their cooperation and reliability contributed positively to the overall success and progress of the project.

Based on our experience, we would confidently recommend them for future electrical contracting work of similar scope and complexity.

Should you require any additional information, please do not hesitate to contact us.

Sincerely,

Wissam Ajina
